

THE JOSEPH SEARS BOOSTER CLUB

“That Youth May Advance”

October 2020

Dear Sears School Parents and Community Members,

The JSSPVA Booster Club believes that a well-rounded student is academically prepared and leads a healthy and athletic life. Founded over 15 years ago, the Booster Club funds and supports the Joseph Sears Athletic Department, the Park District and the Kenilworth Community. With the transition from an independent board to a committee of the JSSPVA, the focus of Boosters will continue to be placed on areas where traditional funding is insufficient or unavailable. The following is a partial list of projects and activities that have been funded by the Boosters in the past:

- Scholarships for Sears students to participate in athletic programs
- Replacement of worn athletic equipment
- New uniforms for Sears teams
- Coaching clinics for basketball, volleyball, field hockey, and soccer
- Junior and Senior Field Day
- New team chair
- Installation of the new traverse wall in the gym
- Team Room rehabilitation in the gymnasium

The JSSPVA Booster Club funds all its activities entirely through charitable donations from our community and from the sale of Sears School spirit wear. We are proud to enhance the athletic experience for all students at Sears School.

We offer two ways to support athletics through the Booster Club– make a tax-deductible donation and/or volunteer your services.

Either way, please complete the attached Membership Form or go to <http://www.kenilworth38.org/boosterclub>.

All donations of \$50.00 or more receive a Booster car magnet.

We hope you will consider making a donation or volunteering your time. For more information, please check out our website or talk to one of our members.

Thank you for your support!

Amy Hannus
